

Customer Report Card on *#FloQast* ROI

TIME SAVING

26%
reduction in time to close the books monthly

Reduce your close time almost immediately upon implementation.

Improve efficiency and time to close continuously over time.

26%
reduction in time required for the audit process

Streamline PBC requests when all your documents and data are easily available from anywhere, whenever needed.

Reduce audit fees when auditors spend less time chasing down information.

31%
reduction in time to perform reconciliations

Automate tedious and time-consuming work while bringing all reconciliations together in one centralized place where teams can easily collaborate.

INCREASED EFFECTIVENESS

75%
improvement in visibility across accounting operations

Connecting areas upstream and downstream from the Close drives increased visibility into when the numbers will be ready.

63%
improvement in collaboration across the accounting team

Collaboration is now centralized between all stakeholders both internal and external to finance and accounting.

INCREASED ACCURACY

23%
reduction in discrepancies found by auditors

Drive high-precision accounting operations with predictable cycle times and minimal audit risk.

39%
increase in accuracy of close data

Automate tasks, checklists, and data gathering, with orchestrated workflows and centralize documentation that align the team and eliminate errors.

WORKLOAD BALANCE

44%
improvement in task/workload management

Delegate day-to-day tasks with confidence.

Foster collaboration and accountability without micromanagement.

28%
reduction in effort required to close the books

Unify and align isolated work streams.

Collaborate and communicate in context. Always operate on the same page.

Happier team.
